Docket No. 98N-1265 5471 99 MAY 21 P2 22
Food and Drug Administration

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular,
I OBJECT to the definition of "inordinate amount" which restricts the availability
and the right to obtain medically necessary compounded medications by limiting
the number of prescriptions that can be shipped across state lines from specialized
compounding pharmacies.

COMMENTS: I have not been able to take
the standard HPT such as Desermin, etc.
Since I have been able to get individualized
compounding prescriptions, I am doing
well on them. I would hate to
see that changed.
Thank you.
